

BPS 7425

ARTNR: 7425 | ENVIRONMENTALLY FRIENDLY OIL REMOVER

BPS 7425 is a biodegradable and user friendly cleaner that is used to remove oil or oil spillage on facades. For exterior use.

BPS 7425 is a special formula developed to remove oil or oil spillage on different type of facade surfaces.

BPS 7425 can be used on all types of stone and mineral surfaces. Protective covers on windows are not required.

Instructions for use

Pre-water the surface with cold water. Apply **BPS 7425** with a low pressure spray. Allow to dwell on the surface for 5-30 minuts depending on weather conditions and degree of contamination. Make sure that the surface is wet during the dwell time. Jet off with high pressure spray. Adjust the pressure to the facade conditions (50-300 bar/20 litre/minute). It is recommended to use warm water (max 50°C). If necessary repeat the treatment.

Dosage

Use **BPS 7425** as a concentrate or dilute 1:1 with water.

Consumption

Normal usage is 0,2-0,3 litre/m².

Storage

Store frost-free in sealed original container.

Shelf life

At least 24 months in sealed container.

Precautions

Use protective gloves, clothes and glasses.

Technical data

- Liquid fluid.
- Container: 5 or 25 litres jerry can.
- Density: 1,0 kg/litre.
- Faint smell
- pH about 9,5.
- Contains Fatty alcohol ethoxylated, tetrasodium N,N-bis(carboxylatomethyl)-L-glutamate

Marking

Danger

Causes skin irritation, Causes serious eye damage.

Not classified as dangerous goods according to **ADR**.
